Herrick's Sugar Coated Pills.

The best Family Cathartic in the world. It cures constipation in all its forms, restores regularity by millions of persons annually; always gives satisfaction; never produces violent effects; it is free from injurious ingredients; patronized by the principal physicians and surgeons in all countries; it is elegant, pleasant, and coated with sugar.

Large boxes, 25 cents; five boxes for one dollar. Full directions with each box. Warranted superior to any Pill before the public.

TABERNASH, LEON COUNTY,
Florida, July 17, 1861.
TO DR. HERICK, Albany, N.Y.—My Dear Doctor: I write this to inform you of the wonderful effect of your Sugar Coated Pills on my elder daughter. For three years she has been afflicted with a bilious derangement of the system, totally incapacitating her health, which was now gradually passing during that period. When in New York April last, a friend advised me to test your pills. Having the following medicine in my possession as my friend, I obtained a supply of Meade, Barnes & Park, Druggists, Park Row, New York. In returning home we ceased all other treatment, and administered your Pills, one each night. The improvement in her feelings, complexion, digestion, etc., surprised us all. A rapid and permanent restoration to health has been the result. We need less than five boxes, and consider her entirely cured. I enclose the above a just tribute to you as a Physician, and trust it will be the means of inducing many to adopt your Pills as their family medicines.

I remain, dear sir, with much thanks,
Your obedient servant,
S. G. MORRISON.
